Issue No. 4

April 2004

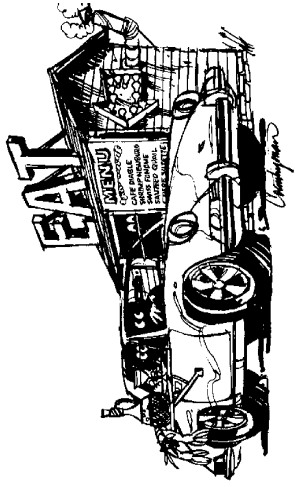

Once again spring is here !! Time to mow the lawn, pull weeds and most importantly wax the car!! Porsche, that is !! The March dinner was great. We had dinner at the Azteca in Silverdale and had a blast. Margaritas flowed and the food was great. Some of us thought about going out afterwards but I think we all ate to much. Our March event was killer - 15 or so cars gathered for the Olympic Peninsula Wine Tour and did we have fun. I didn't realize how many great wineries are on the peninsula ! We started from Silverdale and headed to Pt. Townsend with the sun on our backs in search for the great Merlot. After tasting wines from two of Pt. Townsend's finest we headed to Sequim for lunch at Pedals - everybody should go there because the food is awesome ! Anyway, back to the road trip - ask Brett about the encounter with the WASP !! A couple of more wine stops and the day was nearing the end. Most of us went home but a few went to Pt. Townsend for diner. More Margaritas and Doug started to worry about going to jail but more on that another time. These events are fun and everybody should go!

Don't forget that our meetings are every 2nd Wednesday at Round Table Pizza in Silverdale. Our dinner socials are every 3rd Friday and our events are always posted in the newsletter. This months dinner is at the Lighthouse Cafe at in Silverdale at 7:00pm, this place is nice so RSVPl, and our event is being put on by Will Bonsell and is called the Azalea GP/GT. I can guarantee that it will be a blast!

Well that's all folks!! Have a blast!

Alex Raphael - President

### IN THE SIXTH ZONE

Linda Bein  
Zone 6 Representative

A big salute to the fifteen regions of Zone 6! We have the largest geographical area, some of the most dedicated people, and definitively the most spectacular events in the Porsche Club of America! Not only are Zone sixers dedicated, but there is a huge streak of generosity to be found. Our regions are committed to supporting many worthwhile charities.

For example:

Pacific Northwest Region's Charity of the Year is the FosStars Institute, improving relationships among foster children, foster parents and caseworkers.

The Polar Region held an event in January to benefit the Edmonton Garrison Military Family Resource Center. A raffle and silent auction raised over \$14000.00 (Canadian) for these military families.

The Wild Rose Region raises money for three charities including a food bank and a scholarship fund.

Vancouver Island has an annual event to support the Queen Alexandra Foundation, caring for the needs of the youngsters of that island.

I shall be spotlighting other regions in future columns. ALL should be commended for their work!

There are a lot of outstanding events coming up in our zone and I encourage you to visit the website of each region to see what would appeal to YOU! It is fun to travel to other regions to meet new people and to see some really awesome cars, so get in that Porsche and drive it to a new destination! Go to the PCA website and click on Regional directory. You will be amazed at what you will find!

Our Presidents' Meeting, held in Vancouver, B.C., was a fun place to meet our new presidents and catch up with some of the veterans. These people are ready to make Zone 6 the best on the planet, so get involved. Find out what YOU can do to make a difference! May we drive forever....

Linda

### Dinner at Azteca in Silverdale

What a fun month for our newly formed region of the PCA!! We had a great turn out at Azteca in Silverdale for our Friday dinner. It was enjoyed by 25-30. Our Wine Tour the next day was a success with private tasting at wineries from Pt. Townsend to Sequim and up to Pt. Angeles, stopping for lunch at Petals in Sequim, where we were served in a lovely private room. About 12 or so cars were out for a day of sunshine, camaraderie and lots of wine~ I personally had to buy "Go Girl Red" and "Working Woman White" (along with a few others) just because the bottles were so cute! A great day was enjoyed by all! Come and join us on our next outing!
