FROM THE PRESIDENT'S DESK

Denis Eckert, President

Summer is here! June started off with a warm surprise and the Pacific Northwest in full bloom. And your OPR-PCA Club has a plethora of events lined up for you to enjoy over the course of the next few months.

One of the first events in June was the annual Porsche Day at Griot's Garage on Saturday, June 7th. This is one of the "must attend" events every year. There's always a great turn-out of Porsches from OPR and PNWR members, plus Richard & Nick Griot make sure there are some fantastic examples of Porsches on display inside as well. Put this on your Calendar for next June if you missed it this year.

June has the annual Winery Tour on the 21st. This year Brett Burroughs (our annual Wine-Tour leader) has arranged a 1-day excursion to the Woodinville area. Each year the location is different. And who doesn't want to drink wine with friends, while someone else chauffeur's the group to and from the various wineries!

July is a busy month! Here's a quick line-up of events:

July 12th – 10:30AM Cars & Coffee in Port Hadlock followed by the Monthly Board Meeting and Member lunch at Noon at 7 Cedars in Sequim

July 19th – Concours d'Elegance - @ Kip Sparber's property in Bremerton

July 20th – 7:45AM – 2PM – Hansville Car Show – (Non-OPR)

July 24th – David Eastman's – Oak Tree/Shadywood Summer Social & Car Show in Lakewood – (Non-OPR)

July 25th – Evening "Porsches & Happy Hour" social at Maynard's Restaurant in Silverdale

July 26th – John James Garage Tour (with pizza and beer) at Mason Lake

In addition to these events, there is the SOVREN Historic Races at Pacific Raceways in Kent on July 6-7. You can enjoy watching vintage race cars while bringing back memories of many great races and drivers from eras gone by. Get your tickets early and you can park in the Car Corral!

Our Charity fund-raising has been going great so far this year. We've helped the Kitten Rescue of Mason County with donations that will help them build a larger gravel parking area for their yard-sale fund-raisers, and for those wanting to adopt a loving kitten. We were able to join with two Kiwanis Clubs to purchase a commercial refrigerator for Camp Beausite that they so desperately needed. And we had a great fund-raiser for Peninsula Friends of Animals at the Kalinski Garage Tour in Sequim (not to mention the secret "World-Class" garage tour that Dan took us to!) Garage tours = vicarious enjoyment!

"It's not just the cars, it's the people. . ."

"In the Zone"
By John P Sommerwerck
PCA Zone 6 Rep

Nancy & I had a very busy month. It started with our participation in the Selkirk Loop driving tour put on by the Inland Northwest region. This tour had participants from Oregon, Washington and Idaho – 47 cars & 87 people. The tour started in Coeur d'Alene with a boat cruise and continued with drives into British Columbia. It ended in Spokane with a car show. However, Nancy & I bypassed the Spokane portion as we had to leave for our next adventure.

We hurried home to clean our clothes and pack for our trip to the 24 Hours of Le Mans. This was a trip of a lifetime. We flew in Sunday/Monday before the race. While the focus of our trip was the race, we had the opportunity to visit the Normandy D-Day beaches, wine tasting, and more. Our tour was hosted by a 14-time Le Mans driver, Robin Donovan. Robin had teamed with Derek Bell, and Robin arranged a lunch with Derek. The stories were fascinating! The race experiences were unbelievable: We were in the pits during a pit stop. We were at the end of the Mulsanne straight, at midnight, 15 feet from the track – you could see the red-hot brakes. We visited the Daytona Chicane during the race. Robin told us of driving the original 6-kilometer Mulsanne Straight in a Porsche 917 before the Daytona and Michelin chicanes were added. And the answer to the question: did we stay up for the entire race? Was no! The race ended with a 14+ **second** difference between first and second place Hyper cars.

Besides Porsche **Parade**, PCA National has several events of note; **2025 Treffen at Sea** sets sail Sunday, August 30th from New York, NY, returning on Sunday, September 6th. Treffen at Sea registration is now open! **Fall 2025 Treffen** will be held at the Four Seasons Resort in Jackson Hole, WY. Check it out at: [Treffen Jackson Hole \(Fall 2025\) | Treffen North America](#). I am sorry to report, registration for Treffen Jackson Hole sold out in 4 minutes.

Nancy and I continue our planning for Zone 6 region visits, so far, we have plans to visit nine and are looking for ideas for the other two visits. Zone 6 signature region events can be found [PCA Zone 6 - The Pacific NW Regions](#). Zone 6 abounds in great roads to drive and great automotive venues.

Parting shot.

Stay healthy and we will see you in the Zone and at the 69th Porsche Parade!

Farewell to Jim Egan

- by Maryann Elwell

It is with a very heavy heart, that I write this. I am sorry to say that one of our earliest members and longtime friend, Jim Egan, passed away on June 10th. Jim & Arlene Egan have been Porsche Club members since 1986. Jim and Arlen joined our region in November 2007. Shortly thereafter is when I met the two of them at a Tech Session we had at Nuts About HiFi in Silverdale. The Egans generously hosted our club at their beautiful home for several garage and studio tours in Tahuya, just off Tee Lake. Jim always had a story to tell about one of his ongoing car restorations. Jim will surely be missed and our heart-felt sympathy goes out to Arlene and family during this sorrowful time.

Jim started his military career as an enlisted Radar man and made it to "selected for E-6". He joined in June 1959, was sworn in at the old Post Office in Portland (grew up in Silverton), and was selected for an officer program in 1965 and was commissioned in 1967. He retired in 1992 as a Commander.

Jim touched my life in an area near and dear to me. He was working on restoring a 1950s vintage Ford truck. He was looking for a donor car with a Ford engine and brakes. At around the same time, my 1988 Ford Mustang had been in an accident and due to its age and low value it had been totaled. That car was the first car I owned and I couldn't part with it. So, it just sat in our yard for several years. During a chili cook-off at our house, Jim saw the car and asked what we were going to do with it. At the time we really hadn't given it much thought. After we found out we had what he needed, we sold it to him, so it could live on (at least as pieces) in his restored truck. Jim gave a loving home to a car I really loved.

Above: Jim & Arlene at one of our Holiday parties.

Upper Right: Jim and John James exchanging Porsche stories at the OPR 20th Anniversary Party at MAXRPM in October 2023.

Right: Anna Hoey & Arlene catching up, while Jim and Kip Sparber talk Porsches at the 2022 Chili Cookoff at the Pistay's home in Port Ludlow. Per usual, Arlene made her famous cookies and Fruit & Nut bars.

“GO For the GOLD II” Rally

By: Bill Elwell

Back in 2010, Randy Baisden and I created the original “Go for the Gold” rally. We presented participants with pictures of landmarks in Kitsap County. Participants had to locate the landmarks, drive to each, take a picture of their car at each, and drive to the end point before time elapsed. Folks seemed to enjoy themselves. There was even a rather dramatic “race” for first place between Kip Sparber and Brian Forde.

Well, that was 15 years ago. This year I teamed up with Brian Forde to create “Go for the Gold II”. On April 26th we ran an updated version of the original “Go for the Gold” with new landmarks and slightly different rules.

On the morning of April 26th, a sizable group of us met in the parking lot of Barnes & Noble. Cori Kauk from the Bremerton Foodline met us there as well. We asked participants to bring diapers and baby wipes for the Foodline.

We gave rally participants a list of destinations. There were restaurants (worth 1 point), general stores (worth 5 points), fire stations (worth 10 points), and museums (worth 20 points). The instructions were pretty simple. You have 90 minutes to take pictures of your car at some of these locations in order to tally up as many points as possible. Folks were given 15 minutes to develop a strategy and at 10am, everyone set off to take their pictures and meet back at 11:30 at the Olive Garden in Silverdale.

The task we gave participants was much more difficult than what it probably appears from reading my description. It really was a game of risk vs. reward. Do you risk driving to the high point value locations (which were very far away)?

When the dust settled, we all had a lot of fun and some great food too. Check out the pictures and winners. Hopefully, we’ll see you at our next event!
